I have been involved with Hinckley AFC from the beginning, together with my husband Steve. I would love to see our club return to Hinckley. I believe strongly in the supporter owned model of ownership and always feel humbled when I look at the strength and passion of our supporters.

If elected I promise to continue working hard to bring AFC back into the Town. As far as I can tell, there remain three live possibilities with one very real one.

Meanwhile, my commitment to you is to make sure we play the best standard of football we can. After all, winning is what we want!

What skills can I bring to the Boardroom? My background is accounting and management specialising in Corporation tax and VAT. I have managed multi-million pound IT Contracts on behalf of BT plc with Forte Hotels. Prior to this I worked in BT Logistics and worked as part of a team centralising warehouse operations at Magna Park. Before this I was an Auditor. We need a range of skills in the Boardroom including commercial, operational, financial, but mostly we need people who are pro-active.

I retired from the corporate world and now run our family owned children's Nursery and Pre-School and of course I run Gadsbys, Starlight, and 3G. All of these facilities are available to the Hinckley AFC senior team at no charge.

We have 2 boys who play for the juniors – Matthew in the under 18's and Nayan who plays for the mini kicker Juniors. Currently I am very involved with the juniors.
