Known to many of you by my nickname of storz, I have been a member of our club since it's inception and prior to that a supporter of HUFC going back to the old muddy field lane days. Now retired I was previously employed in logistics management for over 30 years. Before spectating I was involved as first, a player and then a manager in non league football around Nottinghamshire and for a shorter spell in Leicestershire.

As I am sure all of us do, I believe the priority for our club and it's board is to strive to base ourselves in Hinckley itself or as near as possible. Hopefully we can still remain as competitive as possible on the field of play whilst striving towards this goal. We must remain open with members on the direction we are taking, involving them in the decision making process when needed.
