I have been involved in the club since before its inception and was one of the original signatories to the constitution.

When I first joined the board, my main aim was to get the club playing in Hinckley where it belongs. This remains my main desire and I am determined to finish achieving this.

The club has had a very difficult year, with changes in the management and at board level, but it has come through it and I am certain that it will be stronger for it. A lot has been learnt.

Finally, we have seven vacancies this time and so will have a lot of new faces. I think it's important to have continuity and also people on the board who are able to lend their experience to the new guard and that's what I shall also endeavour to do.
